A Wicked Good Time

Need to sell multiple Xena/Hercules Props and Wardrobe?

I can send out Group Mailings

Lets have some fun selling on our terms without ebay fees and build our collections through other serious Xena and Hercules enthusiasts.

We have all had a run in with unsavory sellers and buyers that lurk around on ebay so this will keep prop and wardrobe sales among our circle and we know they will be going to a good home

I can do a group mailing with a general list of descriptions and prices of items you have for sale. Then you can sell them on a first come first serve basis to the collectors who respond to you.

Any questions comments or suggestions on these mailings backed by Xena Prop House please email allaboutartgalry@aol.com **-Barbie Arms-**

DEATH IN CHAINS

Within the space of eight months I sat holding the hand of both my parents as they passed on to the other side. Someone said to me that when you lose a loved one, time suddenly stands still. I can attest to this – with the addition that when you lose two loved ones close together, time actually seems to start going backwards!

A week after dad went – actually the evening of his funeral, I was battling with those pesky mind-messing flashbacks of the lead-up to both their deaths ... (mum left us in a great deal of pain, and the experience of dad's departure was extremely unpleasant as some terrible hallucinations dominated his final days). On this particular evening, something popped into my noggin – in amidst the flashbacks. My mind shifted to the actual moment of death for both my parents – that fragile split second that separates us from our mortal life. It suddenly struck me very strongly just how gentle, compassionate and almost overwhelmingly kind and peaceful death itself is – and I couldn't help thinking of Celesta, and this episode's portrayal of that moment of death. The light, gentle touch which carries a soul from this world to the next; the calm, slow-motion passing from this life; and the love for the living that death has. I picture this often now – and it is strangely comforting.

Hades Chariot !

Owned by Tricia X 2

1. Hinds Blood Pendant

From the Hercules-Xena "Armageddon Now" crossover eps. Front and back of a pendant "full" of Hind's Blood. It's really just painted red in the inside of the plastic sphere. Other ones from IAW had the painting to indicate a "half-full" vial. This one also has all its tiny pearls

Items For Sale

For Sale by Louise

AWESOME ORIGINAL XENA PROP/WARDROBE PIECE!
This is Gabrielle's Season One outfit \$1400 plus shipping.

Gabrielle wore this distinctive first outfit throughout much of the first season. This is possibly used from episode 4, Cradle of Hope, onwards, as the blouse top in the first 3 episodes was a brighter blue and the subsequent episodes featured a duller blue, like this one.

The costume is in excellent condition and is just stunning. It consists of the COMPLETE outfit - blouse, skirt, scarf belt and jacket.

The costume was originally purchased from a fellow Xena collector, Ellie, who had many genuine Xena props and wardrobe pieces. It comes with the It's a Wrap certificate and Gabrielle tag. Please contact Louise for more information and pictures. If anyone would like the Gabrielle mannequin to go with it I will do the two for \$1500 plus shipping (saving \$50 on the mannequin

Website Closing Down

Geocities is closing down my website, as it is no longer offering free websites and this is happening in October. Although it would be good to be able to continue the site, I can't justify spending the money on keeping it open.

I was hoping that I could save pictures and information on the site by offering any collectors to take what they want from the site, I am happy for people to take whatever they want, no need to ask. Leena

For Sale by Torey Hercules complete costume

. Price reduced **\$5,000 FIRM**

It is COMPLETE and it has the costume tags and IAW COA and everything is HIS. It even has mints in his little leather pouch (probably for his close ups with the ladies)

Kevin Sorbo wore this full costume in the 5th season Xena episode "God Fearing Child" where Xena had her baby and Hercules was hugged by Lucy at least a few times while wearing that costume. It also does come with the costume tag that states it to be Kevin Sorbo's complete costume. The tag reads Xena EP. # 13 Kevin Sorbo Hercules.

The detail on Kevin's left gauntlet is astounding. Kevin always said, "When the gauntlets come on- I AM Hercules!"
The right gauntlet is the nicer of the two- with a red carnelian polished stone in it.

7. Gabrielle Scroll

Here is Gabrielle's scroll from Xena Episode "Many Happy Returns" The red arrows show where it looks like the writing matches. The top line is shorter and has bolder letters to start as though they wrote over it twice or the pen stayed on the letter too long. The line below that starts over further to the left and the letters match, also check out my green arrow, the bulge in the side of the scroll/paper matches too.

THANK YOU ALL FOR YOUR DONATIONS!

I run the auctions under ebay member name **inthelightofthemoon2**. I loved when Xena and Gabrielle would lie down at night under the stars and talk calmly after a LONG day.

The charity list is growing but the list will always stay in the publication. I am so grateful to Julie who started this chain of giving and am proud of each and every one of you who donated and participated in these auctions! Bravo to you all!

Xena Museum & Athenaeum

We are currently offering the brand new Xena Museum & Athenaeum pin back button to help support the work of the XMA with a portion of the proceeds to support Christian Children's Fund, providing food, clothing, education and healthcare to children worldwide since 1938.

also

Any donors ordering a Xena Museum button will have the option to elect the charity their donation goes to, be it CCF or Women for Women International. Women for Women benefits women who have suffered the atrocities of war and gives donors the option to have their donation go to a charity without a religious affiliation. Other charities will benefit in the future if we are successful with these efforts.

Please visit the shop link below as an extension of the charity button campaign to allow supporters to choose items other than the XMA button with proceeds still supporting the two selected charities, CCF and Women for Women International.

The MySpace page for The Xena Museum and Warrior Women United has been joined by many strong women including members of the Xena cast and team, other related nonprofit groups, and female athletes, artists, and empowered women from every walk of life. “If The Shoe Fits”

This is a Q and A section to help get those important questions answered.

Q 1 I am trying to find out how many Creation Entertainment Xena Whips were made. I spoke to Sharon and she doesn't remember how many exactly were made of the Xena Whips, but says there weren't many of them maybe only 100 though she isn't quite sure. She agreed that this is going to be a Xena Prop reproduction from the NZ prop makers mystery! So unless someone comes up with a limited edition of above 100 then it is a mystery. If anyone knows how many of these whips were made please let us know. **EDGAR** Swordofx@yahoo.com

Q 2 In regard to the Xena Warrior Princess original television sound track if anyone knows the words translated into the English language for
#2 Warrior Princess
#5 Burial song that was composed by Lucy Lawless
#12 Glede Ma Glede (Amphipolis Theme Song) which is also a traditional Balkan harvesting song. I believe all 3 songs are sung in the Bulgarian language. I am very curious what the words say. The only songs translated in the cd cover are the “Xena Main Title” and “The Gauntlet” so if there is someone out there that knows the words in English to these 3 songs I would love to know what they are.

Q 3 Did they reuse the same Amazon Masks over and over in every episode by repainting them or did they make new ones from molds for each different episode they were shown in ? **CHERI** myxenawp@yahoo.com

Q 4 What is your favorite Hercules or Xena Episode and why? **BARBIE**

If you have a question please send to Barbie at allaboutartgalry@aol.com
Anyone who has the answer or can elaborate on an answer already submitted is most welcome to reply. I will keep the questions posted until an answer is obtained. All questions answered will be posted, then removed, before the next issue to keep the section tidy.

The Kaia Saga

Kaia, a strong willed Amazon woman of ancient Greece has her life changed forever when she is abducted by the Sosamain. Stripped of her proud heritage and sold into demeaning slavery as a gladiator, suffering from abuse and beatings, she is stripped of her pride and will to live. Naturally she begins to plot escape, but becomes a fugitive in doing so. Now, the only place she can rekindle her fighting spirit and life is somewhere, in a galaxy far, far away.

Barbie's Review

I have read the Kaia Saga, which actually contains 3 books making this a trilogy.

I was riveted by this action story and read through each book quickly, as the manuscripts were sent to me, I could not put it down! The story line has many interesting facets with clever insight that shows an intriguing future world. Kaia's strength and strong will, that she actually discovers through her enslavement, reinforces to us the will to live that we all possess. This is a very violent story but will bring you through to the other side of pain and despair.
A must read!

The Quill is Mightier

Counselor: Well, folks, welcome back! I'm really glad to see you all here at our second session of PropAHolics Anonymous. I wasn't sure most of you would show up for another round. Especially since it's Sunday night and kiwi-dealz just listed another round of props on eBay.

Tedra: No worries, doc, we're all experienced bidders. We've got everything in our watching tabs until later in the week, where we'll mercilessly snipe each other in the closing seconds. By the way, what happened to the other counselor? The one we had last time?

Counselor: Ummmm...well, let's just say that he was deemed unfit for leading a support group such as this one.

Cheri: I hope it didn't have anything to do with that Chin banner I tied to his radio antenna.

Counselor: Well, in a manner of speaking, I suppose that had something to do with it. But to be politically correct and deliberately vague, as well as maintaining a modicum of professional courtesy, let's just say it was for personal reasons.

Kimba: A Chin banner? Really? I mailed the latest issue of Prop House to his residence.

Mike: I sent him a picture of scantily clad amazons wielding some serious weaponry.

Rachael: I baked him a croissant in the shape of Xena's sword. It was light and flaky, with a mild buttery flavor, but with just half the calories of a cream cheese bagel!

Counselor: You people realize that you are all contributing to the delinquency of a medical doctor, right?

Barbie: We do what we can to spread goodwill and cheer to prop collectors everywhere, while still attempting to recruit more kindred spirits into the fold. Sometimes we go door to door, but the costumes generally scare young children and domestic animals weighing less than fifty pounds.

Morgan: Who's the guy in the back in the Darth Vader costume? (imitating line from movie) Luke...I am your father!!!

Christina: I brought him. He wandered by the Xena museum one night when I was closing up shop and claimed that Darth Vader could kick Xena's butt. I met him in a dark alley with my Fallen Angel sword drawn but we got interrupted by a Buffy wannabe with a wooden stake and the issue never got resolved.

Brad: Ares could definitely kick Darth Vader's butt. Come on over here, space boy, and I'll show you what I mean.

Counselor: Settle down, people! Now this is an equal opportunity prop addict group. It is not limited to the Xena genre, although I admit you folks are a wee bit overzealous and probably need more assistance than the average prop collector.

Paul: And you base this on WHAT?

Counselor: On the fact that one of your "kindred spirits" unceremoniously yanked my wireless card out of my laptop at Starbucks last week because she thought that I was taking up too much bandwidth for her to snipe someone in the closing seconds of a bamboo tankard listing!!

Cheri: Seriously, "yank" is a bit harsh, don't you think? I hardly touched your laptop! You didn't even notice your wireless card was gone until you went to refresh your webpage. Besides, I put it back!

Morgan: But did you win the auction?

Cheri: Oh yeah I sure did!! That thing is going to look fabulous in my bathroom. I currently have all my set dressing in there. I nearly choked my husband with the string off my Amazonian longbow when he tried to use my wooden goblet as a spit cup, but other than that, it's worked out pretty well.

Counselor: AHEM! People, can we get back to the task at hand here? Prop addiction? Hyperinflated spending habits? Caloric intake limited to Ramen Noodles and Spaghetti-Os because you spent your grocery budget on resin and leather? Ring a bell for anyone?

Barbie: Speaking of bells, you know that cute little brass bell that Aphrodite uses on Joxer in "For Whom the Bell Tolls?" I'd love to get my hands on that prop.

Scott: I don't know about that, but I think Darth Vader over there just stole the boot topper off of Mart's Varia mannequin.

Counselor: You brought your Varia mannequin to the support group???

Mart: Madris was having a dinner party and I promised her I would get Varia out of the house for awhile. Last week, during Poker night, Varia smacked the Texas Hold Em winner on the side of his head with her staff and then tied our neighbors to their mailboxes with duct tape she found in my garage. If I take her out once in awhile, she isn't as destructive. Plus, she likes McDonald's French fries and KFC's new chicken bucket. It keeps her pacified.

Rachael: I know, right? The chicken is broiled, not fried, but still retains all of the Colonel's original spices and robust flavor! If you add a lightly tossed spinach salad and a nice white wine, you'll never regret it. And French fries keep her pacified because they're full of artery clogging trans fats that nobody should ever eat unless they have a death wish.

Mart: I do what I can, Rachael, but she was a bit miffed that she couldn't kill her own dinner, so we had to work through her anger issues with a pound of curly fries.

Counselor: Listen up, people. This session is deteriorating quickly. Let's do something productive and go around the room. I'd like you to tell me what you *could* purchase that would enhance your lives, if you just took one small baby step and spent a mere 500 dollars *less* on props this year.

Zach: I'd buy some new tools for my garage.

Counselor: Excellent!

Zach: Because it is so much cheaper to make your own display cases than to purchase them ready-made.

Counselor: Sigh.....

Cheri: \$500 would get me about 4 mannequins. I really need to start displaying my Amazon wardrobe.

Carin: I could use a new keyboard for my computer. I wore off all the letters during an eBay frenzy and I can't tell anymore if I am bidding \$40 or \$400.

Lilias: I could use the extra cash to have more props shipped to me from NZ. Postage costs are going up fast. Hey, counselor, the side of your face is twitching. You really need to have that looked at.

Tedra: I'd spend the \$500 on caffeinated beverages. Much easier to stay up when prop auctions end after midnight.

Chris: Definitely gas money. Driving back and forth to the IAW warehouse gets costly, and they are always finding stray daggers from the 2001 sale.

Torey: I'm thinking we could pool our money and have a prop convention at Barbie's house once a year. \$500 would really go a long way towards travel and food costs.

Kimba: Great idea! We could play "Prop Pictionary," "Who Wants to be a Prop Collector Instead of a Millionaire," and that old standby, "Prop or No Prop!" I'm sure Howie would come!

Meek Voice in the back: Can I come? And can I dress up like a Samurai warrior? Those FIN costumes were pretty impressive.

Lilias: Hey! That Meek Voice in the back sounds eerily familiar! Isn't that our *counselor* from last week????

New Counselor: Yes! See what you people have done???? (puts head between legs and starts hyperventilating)

Barbie: Excellent! Welcome to our little circle, Mr. Former Counselor Now Known as the Meek Voice in the Back! I have about two years worth of PH back issues you can catch up on. And I believe the Prop Store of London has a full cossie from FIN for sale. If you buy it, we'll feature it in the next issue!

New Counselor: People, settle down now! Order! Order!

Chris: Hey speaking of orders, Rachael, you could cook something for our little get together in Ocala!

Rachael: I thought you'd never ask! I've got a positively divine recipe that I can use to make tiny little cupcake dinars! I'm using raw organic cocoa nibs and pure cane sugar, too, so you can indulge without guilt. Although I'm a little torn on that, since Xena's guilt has been such an ongoing theme throughout the series.

Kimba: Can you buy set-used guilt on eBay?

Cheri: I would think it would be challenging figuring out how to display it. It would just ooze out of the shadowbox.

New Counselor (rocking back and forth and chanting incoherently): No amount of schooling could possibly prepare anyone for this. I should have stayed on the graveyard shift at the psych ward. Everyone seemed so normal there.

Rachael: Cheer up, doc! I have the most wonderful carrot cake recipe that will make your socks turn inside out. It tastes even better if you prepare it in set-used wooden bowls because most of them still have a little NZ dust and dirt in the bottom and the area there is very rich in minerals.....and as you know, minerals are essential for proper organ function! We could talk about the role of Magnesium in proper heart conduction next week.

Randi: I don't know if I can come back next week. A support group is supposed to be based on stability and trust, but they sure go through a lot of instructors around here.....
