Cool props and guitars from Hercules Ep. "The Black Panther" Courtesy of Cheri

Hercules Shammy Shirt

Not tagged at all, so it could be a stunttee or stand in. Chamois outer shirt and rougher weaved inner shirt. I love the detail of the two little metal beads on the right chest.

If you have any comments or questions please direct them to Barbie at allaboutartgalry@aol.com or Xenaprohouse@aol.com

Coming Home

This section is designed to display items that *match back up* with the props or wardrobe that were scattered to all four corners of the earth years ago during the feverish Auctions.

I am on a mission to try and see if I can network collectors to bring wardrobe and props back together a venture I truly enjoy, one prop at a time!

If you have acquired an item that matches up with a costume or prop that got separated please share!

1. Egyptian Gauntlets

2. Here is a top wrap in a fine sheer fabric - the interesting part is it is finished with the fabric cut in a geometric pattern and caught inside the seams.

3. Gauntlets

Here are Gauntlets made really well of woven black leather strips. They say Kora and also say Emma inside. They were supposed to be from Young Hercules. So far, Kora in Young Hercules did not wear them and I have no idea about an Emma they are 2 different people

as the actress who played Kora is not named Emma, could have been her stunt or double.

Please contact allaboutartgalry@aol.com if you have seen any of these

Owned by Barbie X 2

1. **Stool** This stool has a nice cowhide seat with evil looking heads on the top, beautiful paua shell inlay on the legs and metal feet.
2. **Bracelet** has gold colored clasp and beautiful blue beads

Hanging Door Beads **FOUND**

I was told by the original owner that they thought they spotted Xena walking through these in a doorway which is where they were seen shown below. Beads were found in Xena Season 1 episode "A Fist Full Of Dinars" and were used in the cave where the Ambrosia was held. Thank you Cheri once again for finding that! If anyone finds more of these bead panels please let Barbie know!

1. Gauntlets

2. Dagger and Sheath

3. Leather Wardrobe

Leather Wardrobe is made of vinyl soft leather like material and lined with soft cotton material and all decorations are hand painted. All the designs are Egyptian especially with the Egyptian eyes and what seems to me to be Isis in the front. It consists of a set of gauntlets, a dress and a set of greaves.

4. Amazon Necklace

5. Piece of cloth with a dragon. 6. Amazon Mask 7. Necklace, the large medallion is 3" across, the middle one is 2 1/2" and the smallest one is 2".

8. Here are 2 daggers, one is a standard dagger the other is a FX dagger that holds a blood tube in the handle so you can squeeze it a little as you cut someone and have the blood cut appear. It has a thin tube with holes in it that runs the full length of the blade but the holes are only from the tip to about half way down. The handles are made of closed cell foam with a resin coating and then painted but the blades are rubber, neat little daggers measuring 9" long that look identical in appearance.

9 & 10 Beaded and Coconut Amazons belts

11. Ring

Cheri needs to find Autolycus as Philipon's hat from Xena Episode "Tale of Two Muses", She has acquired the robe and needs the hat to go with it. The hat went through the Yahoo it's a Wrap Auctions so we know it survived the set as most hats or headpieces did not.

This scroll was found and used by Autolycus/Bruce in Hercules Season 4 Episode "My Fair Cupcake". If anyone has this and is willing to sell it I would love to know if they would. So I guess this would be a HOLY GRAIL item for me. Staff used by Bruce in Xena Season 3 Ep. "The King of Assassins".

“If The Shoe Fits”

This is a Q and A section to help get those important questions answered.

Q 1 I am trying to find out how many Creation Entertainment Xena Whips were made. I spoke to Sharon and she doesn't remember how many exactly were made of the Xena Whips, but says there weren't many of them maybe only 100 though she isn't quite sure. She agreed that this is going to be a Xena Prop reproduction from the NZ prop makers mystery! So unless someone comes up with a limited edition of above 100 then it is a mystery. If anyone knows how many of these whips were made please let us know.

EDGAR Swordofx@yahoo.com

Q 2 In regard to the Xena Warrior Princess original television sound track if anyone knows the words translated into the English language for
#2 Warrior Princess

#5 Burial song that was composed by Lucy Lawless

#12 Glede Ma Glede (Amphipolis Theme Song) which is also a traditional Balkan harvesting song. I believe all 3 songs are sung in the Bulgarian language. I am very curious what the words say. The only songs translated in the cd cover are the "Xena Main Title" and "The Gauntlet" so if there is someone out there that knows the words in English to these 3 songs I would love to know what they are.

CHERI myxenawp@yahoo.com

Q 3 What is your favorite Hercules or Xena Episode and why?

BARBIE allaboutartgalry@aol.com

If you have a question please send to Barbie at allaboutartgalry@aol.com

Anyone who has the answer or can elaborate on an answer already submitted is most welcome to reply. I will keep the questions posted until an answer is obtained. All questions answered will be posted, then removed, before the next issue to keep the section tidy.

Here is a Xena Wallpaper with an image of Brad AKA Ares God of War

The Quill is Mightier

Gab: It's Valentine's Day, Xena. We should celebrate! After all, technically, Valentine's Day originated in Ancient Rome!

Xena: You mean the roman festival Lupercalia, right? A fertility celebration?

Gab: That's right. You've been in the scrolls again, haven't you?

Xena: There are many sides to me, Gabrielle. It just so happens that the bloodletting, war-crying, sword-wielding, maiming side is dominant. But I still like puppies, and furry slippers made from the scalps of my enemies. However, we should definitely celebrate Valentine's Day.

Gab: I knew you were really just a romantic at heart.

Xena: Well, you see, there is quite a lot of historical debate on the issue of St Valentines being linked to romance. In fact, there is a popular argument, one which I favor by the way, that says the holiday was originally focused on SACRIFICE, not romantic love. Heh.

Gab: Uhh....

Xena: Look it up on that shiny black box with the weird symbol thingies if you don't believe me.

Gab: Xena, what happened to the tradition of gift-giving, and spending time with those you care about?

Xena: Oh no worries, Gabrielle. I will be giving several lasting scars...I mean "gifts," to a few people that deserve them. But I promise to do it lovingly. In fact, just last night, in honor of this holiday, I carved a heart into the thigh of Siberius, the Athenian warlord. I read him some poetry before I tied him to his horse and sent him off in the direction of the lava pits...does that count?

Gab: That's not exactly what I meant...

Xena: And you remember Tiberon, right? Petty thief, arsonist, boots that don't match? His toes don't match now, either, but the top of his left foot has a big "X" on it....just a little kiss from me on Valentine's Day. This is really becoming quite meaningful, and normally you know I don't celebrate many holidays.

Gab: How about if we do something else this year, Xena? Perhaps we could visit Rachael...you really seemed to enjoy yourself the last time you were on her show. We could bake some heart-shaped cupcakes.

Xena (rolling eyes): You've got to be kidding.

Gab: You could use your dagger to mix the batter.

Xena: No.

Gab: You could catapult the finished desserts into the audience.

Xena: Tempting...but..no. I sent Rachael an entire box of hearts, and she wasn't as grateful as I thought she might be.

Gab: Really?

Xena: Yes. Granted, some of them were still beating, but still....the gesture went largely unappreciated. Although I did give her a solid 9.5 for the blood-curdling scream. It was seriously authentic.

Gab: Well, what about a walk on the beach in the moonlight?

Xena: Storming the beach with weapons drawn? I could roll with that.

Gab: Umm...no..just walking, enjoying each other's company.

Xena: Are we going to be tracking something?

Gab: Well, no....so how about I cook you a nice dinner instead?

Xena: You do that every night. Except for that one time when you broke your hand and I had to do all the cooking myself.

Gab: Xena, you drank all the cooking sherry, started your boots on fire and then used the rabbit stew to extinguish the flames.

Xena: Those were my favorite boots. And they still smell like garlic and wet rabbit.

Gab: Perhaps we could just celebrate the holiday of love by sharing some of the things that we love about our lives and our travels together.

Xena: I love sleeping under the stars, finding creative ways to use everyday objects as deadly weapons, the smell of warrior sweat in the morning, and the sound a skull makes when it falls against the hard wood of a cypress tree. How about you?

Gab: Oh boy.....

Xena: And you know, I also find that I love the satisfying scraping sound that my sword makes against the whetstone, Argo's hoofbeats on a cobblestone path, and the shriek of 300 pound men when they see me coming.

Gab: Umm..well....you know, the holiday is traditionally focused on those good feelings you get from being around people you care about. Love, happiness, forgiveness...just some of the themes people tend to focus on.

Xena: Oh! Well, I also love the fact the Rob forgave me for dumping his prop truck into the sea, Rachael forgave me for killing a week's worth of free-range chickens, and honestly, I am now only a few decades away from forgiving Rachael for wearing my battledress to that staff Christmas party.

Gab: Anything else? You know, what about, I don't know, say...anything related to me?

Xena: You? Why sure, Gabrielle! I would say that you probably love the fact that I clean my own weapons, brush my own horse, and that you only have to stitch me up about once every three or four days.

Gab: Sigh.....

Xena: Well, let's get going. We still have Valentine's Day to celebrate, you know.

Gab: What did you have in mind?

Xena: I got us tickets to the latest Socrates play in Athens. On the fifty yard line, even!

Uhh...I mean, front row center.

Gab: WHAT? I...wow, Xena....but you hate the theater!

Xena: Yes, Gabrielle, but it's Valentine's Day, and traditionally, you do things for people you love. People you care about. People that you are grateful to have in your life every single day that you draw breath, even if you don't say it in exactly those words. So let's get going. It's almost time for kick-off.

Gab: You mean curtain.

Xena: Whatever. Happy Valentine's Day, Gabrielle.

Gab: Happy Valentine's Day, Xena. And to all our faithful PH readers, we hope you take this day to love and appreciate all of the wonderful things in your life today, whatever those may be. Happy V-Day everyone!
