Coming Home

This section is designed to display items that *match back up* with the props or wardrobe that were scattered to all four corners of the earth years ago during the feverish Auctions.

I am on a mission to try and see if I can network collectors to bring wardrobe and props back together a venture I truly enjoy, one prop at a time!

If you have acquired an item that matches up with a costume or prop that got separated please share!

Owned by Barbie Headband and Spear Reunited

Here is a headband seen worn by Artemis Amazons in Xena Episode 'Eternal Bonds'. The headband was a gift from a very special Xena friend and I will cherish it. I also have the spear seen in the screen capture below.

Headband with rivets and hard leather foiling on the front.

Double ended spear with nice gold accents on the grip

1. Egyptian Gauntlets

2. Here is a top wrap in a fine sheer fabric - the interesting part is it is finished with the fabric cut in a geometric pattern and caught inside the seams.

3. Gauntlets

Here are Gauntlets made really well of woven black leather strips. They say Kora and also say Emma inside. They were supposed to be from Young Hercules. So far, Kora in Young Hercules did not wear them and I have no idea about an Emma they are 2 different people as the actress who played Kora is not named Emma, could have been her stunt or double.

Please contact allaboutartgalry@aol.com if you have seen any of these

1. **Stool** This stool has a nice cowhide seat with evil looking heads on the top, beautiful paua shell inlay on the legs and metal feet.

1. Gauntlets
2. Dagger and Sheath

3. Leather Wardrobe

Leather Wardrobe is made of vinyl soft leather like material and lined with soft cotton material and all decorations are hand painted. All the designs are Egyptian especially with the Egyptian eyes and what seems to me to be Isis in the front. It consists of a set of gauntlets, a dress and a set of greaves.

4. Amazon Necklace

5. Piece of cloth with a dragon. 6. Amazon Mask 7. Necklace, the large medallion is 3" across, the middle one is 2 1/2" and the smallest one is 2".

8. Here are 2 daggers, one is a standard dagger the other is a FX dagger that holds a blood tube in the handle so you can squeeze it a little as you cut someone and have the blood cut appear. It has a thin tube with holes in it that runs the full length of the blade but the holes are only from the tip to about half way down. The handles are made of closed cell foam with a resin coating and then painted but the blades are rubber, neat little daggers measuring 9" long that look identical in appearance.

9 & 10 Beaded and Coconut Amazons belts

11. Ring

THANK YOU ALL FOR YOUR DONATIONS!

I run the auctions under ebay member name **inthelightofthemoon2**. I loved when Xena and Gabrielle would lie down at night under the stars and talk calmly after a LONG day.

I am proud of each and every one of you who donated and participated in these auctions! Bravo to you all!

New Post

Hello everyone!

I am riding in the Ride to a Wish 100 mile bike ride, and I am raising money for a little girl named Eleora, she is 7 years old and was born with Partial Trisomy 13 with a Partial Deletion of 9 and was not expected to live past the age of 3.

We are raising money to make her wish of "swimming with the dolphins". Her parents said that would be the best wish for her because they took her to Sea World once, and she was so excited she tried to jump into the stingray tank!

So if you can help in anyway, go to this link and enter ANY dollar amount... EVERY DOLLAR counts, and EVERY DOLLAR makes a difference!

you can check out her story at

“If The Shoe Fits”

This is a Q and A section to help get those important questions answered.

Q 1 I am trying to find out how many Creation Entertainment Xena Whips were made. I spoke to Sharon and she doesn't remember how many exactly were made of the Xena Whips, but says there weren't many of them maybe only 100 though she isn't quite sure. She agreed that this is going to be a Xena Prop reproduction from the NZ prop makers mystery! So unless someone comes up with a limited edition of above 100 then it is a mystery. If anyone knows how many of these whips were made please let us know.

EDGAR Swordofx@yahoo.com

A On the Creation Xena whips, the COAs provide a number for each piece but do not say exactly how many there were made in the edition. Rumor has it that owners heard through Sharon Delaney that there might have been only 100 made of these, but no certainty was provided on that figure.

So it doesn't look like there is any definitive answer on this and so far no one has come up with one that was numbered over 100 on the COA. Not really any more info than this.

Xena Museum & Athenaeum christina@xenamuseum.com

Q 2 In regard to the Xena Warrior Princess original television sound track if anyone knows the words translated into the English language for
#2 Warrior Princess
#5 Burial song that was composed by Lucy Lawless
#12 Glede Ma Glede (Amphipolis Theme Song) which is also a traditional Balkan harvesting song. I believe all 3 songs are sung in the Bulgarian language. I am very curious what the words say. The only songs translated in the cd cover are the "Xena Main Title" and "The Gauntlet" so if there is someone out there that knows the words in English to these 3 songs I would love to know what they are.

CHERI myxenawp@yahoo.com

A On the funeral dirge, I have read that it is a song Lucy wrote using the words from a Hebrew poem and a melody of her own. The Hebrew name is Sof Ha'olam (The End of the World). The English translation:

And it's the end of the world
And the room has been sealed
And we have nowhere to go it is all over

Turning off the lights
Shutting ourselves at home
Yet we let her, the fire, keep on burning

And that is what this time is all about

So why should we get up
When the morning is black
To play dead and then go back

And we cry
Of how we fall
And we know it's all over
It's Too Late

And that is what this time is all about

And I
I want to throw it all and go away
I want to scream
God Wasn't Here

And all these thunders
These moments
And all these pains
I always come back to the same thing

I'll step on my grave
I want to know
What's left over there

Q 3 Does anyone have a set used Xena sword with a flat spot on the bulbous part of the handle?

BARBIE allaboutartgalry@aol.com

Q 4 I purchased on Ebay an Official Xena Replica Sword the ones sold by Creation Entertainment which were forged by the Prop masters at Pacific Renaissance Pictures LTD. I have a Certificate Of Authenticity which came with the sword & it is with the names Adam Malin & Gary Berman on it with Creation Entertainments information, pics below.

The Certificate states that my sword is number 92 of 500 swords made but I was just wondering should the sword have number 92 stamped on it or did the swords not have a number on them? The ONLY thing that's stamped on it is "Made In New Zealand".

My other question about this sword is on the Hilt of the sword. The handle part but the very top where it is round & then right at the top where you have the paua shell in it. Well around there, there is this green on it which looks like its been colored in with a green crayon or something but I have tried to rub it & it wont come off so was the sword meant to have this green on it or is this a scratch or something else? I know it's meant to look old & battle used but was just curious about this green color, photo below.

So I was just a little concerned if this is a real official sword or not? So if anyone has any information about these swords it would be of great help.

Dave stud@bigpond.net.au

A Partial Sharon from Creation Entertainment said they never actually stamped the edition numbers on the sword, they just stamped "Made In New Zealand" on it.

If you have a question please send to Barbie at allaboutartgalry@aol.com Anyone who has the answer or can elaborate on an answer already submitted is most welcome to reply. I will keep the questions posted until an answer is obtained. All questions answered will be posted, then removed, before the next issue to keep the section tidy.

SCOTT and friends have been editors on this site for a few months now. Their focus has been on adding screen caps and creating character pages. There's lots of work to be done though! If any of you all have interest in

writing they wanted to let you know. They can use lots of help with writing episode synopses, etc. Please email Scott with any questions or comments. scottlukaswilliams@hotmail.com

The Quill is Mightier

Fellow PH readers, for this month's "Quill," I had a guest author, our very own Kimba, who brought her character Kaia along for the ride! The part of Kaia was written by Kimba, the parts of Xena and Rachael were written by myself, and the part of Gabrielle was split between us...Kimba wrote Gab's part around Kaia's dialogue and I wrote Gab's part around Xena's dialogue. We hope you enjoy it!

Gab: Xena, I promised...

Xena: I don't like to cook, you know that, Gabrielle.

Gab: You don't have to. You just have to show up. It makes the ratings soar. It's bad enough how Valentine's Day turned out...but I promised Rachael we would help with some Irish treats. After all, St. Patrick's Day is coming up.

Xena: In case you haven't noticed, we're NOT Irish. Do I look like I have a leprechaun tattooed on my....?

Gab: Xena! Let's call it cross-cultural. We're Greek but I said I would show her how to make those creme-filled desserts that Princess Diana made for you....what did she call them? croassius crisassis?

Xena: That sounds painful. However, the desserts are amazing. Alright, I'll do it this time but we're taking some of those desserts with us. At sword point if we have to. I'm not getting refined sucrose on my battledress for nothing, you know.

Gab: Excellent! Rachael's studio is just down the street. We can take that big stinky thing with the silver wheels. They call it a "bus."

Ten minutes later:

Xena: That bus was interesting. I especially liked bargaining for tokens. Who knew the bus driver valued the tips of his fingers so much? And all those passengers screaming. Cool.

Gab: Sigh.....

Rachael: GIRLS! Oh my gosh, I am so happy to see you!! Xena, does this mean I'm forgiven for wearing your battledress to the Christmas party?

Xena: No. Talk to me again in a year or so. I might have gotten over it by then.

Gab: I convinced Xena that our cross-cultural differences could bring big ratings.

Xena: I'm only here for the croshus crispus thingys.

Rachael: Well, since you are ALL here, this is really going to be a great show!

Gab: You mean *both* of us are here.

Rachael: Actually, I didn't expect you guys, so I invited another guest to help out. Turns out she's trapped between worlds, so she has a lot of time on her hands.

Kaia: Hello again, Xena. This is NOT what I thought I would be stuck doing with my life.....but I can't seem to get back to the world I belong to.....or the time I used to be with. How do you two get along with this time? Rachael has been letting me stay here until I can figure out what to do, but I am not going to put up with helping out with the cooking much longer!

Xena: Kaia?? I thought I kicked your butt enough the last time we met to send you back to your time and then some. I do see your point about the cooking, though. We're warriors. We kill, someone else cooks. Has she let you near the chickens?

Kaia: No she hasn't and I kicked YOUR butt if I recall correctly.

Xena: (draws sword) I think your recall might be a little off kilter. Let me see if I can fix that for you.

Gabrielle: It was a tie, Kaia. (stepping in front of the two.) If you want to get out of here, you are going to have to get along with Xena.

Kaia: Easier said than done. She has a history with the Amazons.

Gabrielle: And I am still an Amazon Queen! I can command you to obey!

Kaia: Yes, my queen. (bowing).

Gabrielle: That's better. I didn't want to pull the queen thing on you- but you have got to learn to get along with Xena. She's my partner.

Kaia: I understand.

Xena: Oh come on, can you pull the Queen thing on her again? When she bowed, she got some organic wheat flour on the top of her head from Rachael's cooking table. Not everyone can pull off that look. Innovative, while at the same time, ridiculous.

Gab: Let's just try to get through the show without bloodshed.

Xena: Just as long as Kaia stays away from me Lucky Charms!

Gab: (rolls eyes)

Xena: Sorry. I saw a cereal commercial on the way over here, and was inspired by the marshmallowy goodness and high fiber content.

Rachael: Okay girls, let's see what's on the menu, shall we?

Kaia: Very funny Xena . Ha Ha. Let's see how YOU like it! (Takes a bag of flour and smacks her over the head with it, effectively dusting her black hair grey.)

Gabrielle: KAIA!

Kaia: What? (smiles, pulling her sword) I feel a fight coming on!

Gabrielle: What did I say about being your queen?

Kaia: Well everything is screwed up since I was kidnapped, so I figure yes I am an Amazon, but I really don't have to be ruled by Amazon law anymore.

Gabrielle: (Looks at Xena who is already in fight mode) Oh crap!

Xena: (Advancing on Kaia) You know, there really isn't room on this stage for the both of us.

Gab: You mean both of your egos.

Xena: I was thinking that perhaps if Kaia were smaller, say, in three or four manageable pieces....

Rachael: Xena! You just cut my main cooking table into three or four pieces! And I do NOT like the large "X" on my refrigerator!

Xena: I can't help it that Kaia jumped out of the way....who knew she could duck that fast? I thought for sure that pesky space-time jetlag would have caught up to her by now.

Kaia: You wish, Warrior Witch! I am much faster than you! He -he!

Gab: Kaia! You just blew up the oven!

Kaia: It's not my fault that Xena stepped out of the way of the gas main and my sword hit that instead of of her leg! Since there's not enough room for both of us and I was here first, you need to go, Xena!

Gab: We all have to go.... they just called an evacuation.... that oven is about to explode!

KA-BOOM!

Rachael: (Standing on the sidewalk, watching her studio go up in flames): Tell me again why I thought it was a good idea to boost ratings?

Xena: Look at it this way, Rachael. You could do an entire show about S'Mores....right out here on the street with your fellow man...your loyal followers....oh and the Fire Department.

Rachael: I think I see some of my chickens over there on top of that apartment complex.

Gab: The one covered in collard greens, broccoli stalks, and corn syrup?

Rachael: No, the one under seven thousand pounds of corn meal.

Xena: At least the chickens won't starve.

Rachael (still in shock): Thank you, Xena, you always do know how to see the good in everything.

Xena: I know, right? I've been working on that in my anger management class. I had to do something constructive after they instituted that pesky "no weapons" policy.

Gab: I'm really sorry, Rachael. I'm not sure how we'll make this up to you, but I promise, we will. Those two bring in the ratings but with egos the size of the Statue of Liberty, I'm not sure it's been worth it.

Xena: What is the Statue of Liberty?

Fireman #1: Are you kidding? (pointing). She's only the largest, most famous, enduring symbol of America that we have here in New York!

Xena: Holy Cow, look at the size of that flaming torch!!

Gab: Uhh..Xena.....

Xena: That's some serious weaponry right there. We need to get a closer look.

Kaia: For once, I agree with Xena. I am sorry about your studio Rachael. Will you ever forgive me? As I look at Xena I realize we are never going to best each other. (puts an arm around her) we are truly equals much as I hate to admit it! (grins at her as she glares back at Kaia) Oh Xena you know it's all been in fun. We will somehow make it up to you, Rachael.

Rachael: Uh huh.

Kaia: Let's go check out that statue!

Xena: Fine by me, but if you don't get your arm off my shoulder, you're going to have to learn to live without it. I don't do touchy-feely. Or "equals."

Kaia: What did you say?

Xena: I said I don't do SEQUELS. Originals are so much better.....
