Hidden Treasures off the florida Coast

My visit to Jason and Darran White's home and museum on the Gulf Coast of Florida.

Movie Prop King

How would you like to round this corner and step into one of the most coveted museums for Movie/TV props and wardrobe? Well my husband Ken and I did and we could not believe what we experienced in this secret location!

Like in a silent movie, everything still and quiet, we walked up to the front door of a very large home. In great anticipation of what was inside, the door slowly opened and the most delightful woman, Jason's Grandmother, greeted us with a glorious smile. We entered and realized our incredible journey was "*To boldly go where no man has gone before*" or so we felt, like in a Star Trek episode.

The first room Jason led me and my husband to revealed numerous wardrobe pieces such as Angela Lansbury in "Bedknobs and Broomsticks" (1971), Karen Dotrice, the little girl in "Mary Poppins" and one very exciting piece worn by Julie Andrews in "Mary Poppins" (1964).

Next we go to another room down the hall accompanied by the protector of the house, their pet Chihuahua named Buffy after the hit TV Series “Buffy the Vampire Slayer”. This room was also packed with more invaluable props such as Star Trek Phasers, the top of Data’s head, played by Brent Spinner, which still lit up! And of course the coveted Xena Hero resin sword in a beautiful case made by Darran, Jason’s brother and Co/Owner of the Museum.

The last room we entered was the grand finale, a huge lower level room, so much to take in, so little time. We started from the beginning that is all you can do when the rows and rows of props just seem endless. Up and down each aisle the props and wardrobe you encountered were almost better than the last you saw.

Imagine going back into time and almost 100 years of film history. Wardrobe worn by Rudolph Valentino, Errol Flynn, Bob Hope, Marilyn Monroe, props from Ben Hur, classic Star Trek items, shields, swords, animatronic puppets and so much more. The newest acquisitions include Van Helsing, Star Trek items from the recent Christies auction Jason and Darran attended in New York and of course Xena Warrior Princess props and wardrobe. Like a magnet, there will never be an end to the attraction of continuous props that become available to Jason and Darran due to their impeccable reputation as movie prop collectors.

1. Bob Hope "Casanova's Big Night (1954), 2. Errol Flynn 'Kim" (1950), 3. George Takei as Sulu "Classic Star Trek" (1966-1969), 4. Hugh Jackman as "Van Helsing"

The wardrobe from Xena was just fantastic! Ken and I could not believe how heavy the Zeus wardrobe was, certainly worthy of a God. Caesar who thought he was a God stood proud on a mannequin along with a complete Gabby outfit even her boots, and Xena leathers and armor.

Here is Jason and I next to Gabrielle's dress worn in the Xena episode "Bitter Suite" and a mannequin brandishing Callisto's complete Wardrobe. Awesome! Jason suggested we 'choose our weapons" for the photo, mine was Xena's sword, a foam version and Jason chose the much decorated and evil looking sword from Eternal Bonds. Like being in a candy shop we could choose between a dozen swords from Xena on just one aisle! Amazing!

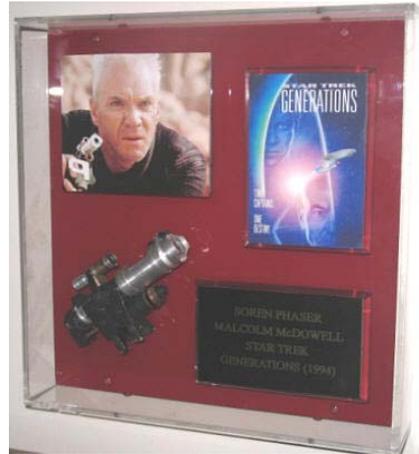

Movie Prop King also has an impressive library with thousands of vintage collectible publications as well as reference books and videos to aide in research on all props and wardrobe. Ken and I will never forget our visit to this wonderful home, a place of many secrets and treasures, larger than the galaxy and sweeter than the Milky Way. *

If you would like to visit the museum please contact Jason and Darran they would love to have you! It is definitely worth the trip, no matter how far away you may live! Stop by my home in Ocala Florida and I will whisk you away to this secret retreat. kingjason1@aol.com

The fanzine is a bi-monthly guide to collecting Xenabilia and comes as a PDF on CD. It is fan-written by me and I hope it will provide you with an excellent resource to help you in your collecting - I aim for it to eventually cover all types of Xena merchandise available, with all the info, pictures and facts I can lay my hands on along with full checklists to assist you in seeking out items! I have had many lovely comments from members about the depth of content and how it has helped them with their collecting - so I hope you enjoy it too! Back issues available on request.

Magnets and Novelties by Velda

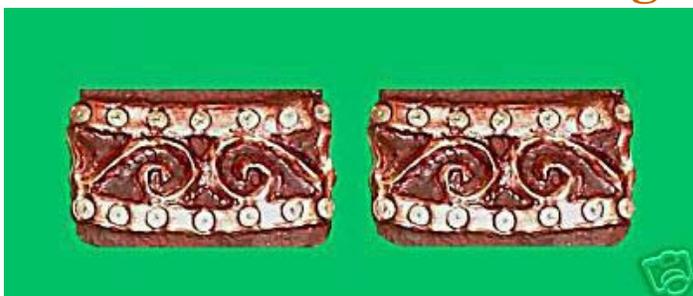

New item is a framed Chakram!

Xena Ying Yang Chakram

More Magnets

Looking for that special little gift for your Xena friends?

Here are some charming polymer clay items by *Velda*

Interesting description of her process

After kneading the polymer clay I place it through a pasta machine. This helps to condition the clay, and gives me a nice even surface to work from. Each piece is hand made, no moulds involved at all so no two items are quite the same. I use a card template for the Sword & Sais, to give me the basic shape.

For the others I usually trace the picture straight onto the clay as these have a little more detail to them. Once I have a full tray of approx. 8 or 9 items, I then paint them. For the bladed items & Chakrams, I use two layers of paint, as the silver, gold & bronze metallic paints are quite transparent. Once the paint is dry, I then add the Swarovski crystals, as the inlays for the Chakram, Sword & Scabbard. All items are then cooked for approx 30 minutes. Once everything has cooled down, I sand off any rough edges, and give them another coat of paint if they need it.

Then it's time to paint the underside of each item, when all painting is finished & dry, I glaze/varnish each item. Then comes all the leatherwork, & finally I add the tiny Neodymium magnets, which are pretty powerful for their size. Each item is signed by myself and I will be making 100 of each. That item will then be retired. There are a few other things I do to create these magnets, but I don't want to give away all my secrets.

By making them at my own pace, and selling them on e bay I'm not letting you wonderful Xena fans down.

Fact of the Month

Did you know Xena's stunt double for Season One and Two was Geraldine Jacobsen? Chris Clogston has a Lucy Hero Leather complete wardrobe. A reader of the publication, Sal, owns Xena's Hero leathers but was not sure if it was Lucy's or a double. We knew it was not from Todd's costumes because the leathers were rigged for wires. We found that Geraldine was also shorter than Lucy and were able to determine through measurements Chris supplied to Sal that he did in fact have Lucy leathers. Thanks Chris for all your help!
