## A Wicked Good Time

### Hercules

## Need to sell multiple Xena/Hercules Props and Wardrobe?

Lets have some fun selling on our terms without ebay fees and build our collections through other serious Xena and Hercules enthusiasts. We all need to sell items occasionally for various reasons so instead of dealing with the ebay rules and fees lets try selling among ourselves rendering a most satisfying and fun transaction for all. We have all had a run in with unsavory sellers and buyers that lurk around on ebay so this will keep prop and wardrobe sales among our tight circle and we know they will be going to a good home!

You can run your own auction and Xena Prop House will announce the starting time and end of your auction with a comprehensive presentation of what you are selling then you set up the auction. The auction will be backed by XPH through assisting and referring readers and collectors to your designated auction time circulating your email and information throughout the duration of your auction. If you are a new reader and participant that I have never communicated with before and would like to announce your own auction no problem just give me one reference from a seasoned collector I can communicate with to verify your commitment to your auction before I can announce it. This is a great way to make quicker bulk sales but XPH will still keep **“A Day in the Life”** section for the casual individual sale items and for photo sales. I can announce multiple auctions so there is no need for a first come first serve basis.

### GROUP MAILINGS

I can also do a group mailing with a general list of descriptions and prices of items you have for sale. Then you can sell them on a first come first serve basis to the collectors who respond to you. I have also done group mailings to let collectors know about items listed on ebay.

Contact Barbie at XPH and communicate that you would like to run an email auction or group mailing. Xena Prop House issues come out by the 15<sup>th</sup> of every month so you would need to make contact by the 7<sup>th</sup> of each month leaving time for the auction or group mailing to be worked up by me and announced in the issue. It would be

suggested you start the auction or group mailing at least 4-7 days after the issue comes out on the 15<sup>th</sup> so readers have a chance to read about your items for sale introduce themselves as a potential bidder or buyer and your preparation to start receiving offers or bids. I will help you through the entire process however if you choose an auction **you** will be running the auction keeping records of the bidding activity, etc.

Any questions comments or suggestions on these auctions backed by Xena Prop House please email [allaboutartgalry@aol.com](mailto:allaboutartgalry@aol.com) Please read the Xena Prop House disclosure on the last page of this publication in red before announcing or participating in these auctions. **-Barbie Arms-**

## Prop of the Month Showcase

Here is Ephiny sharpening her Amazon Sword in Hercules Ep. 'Sky High'

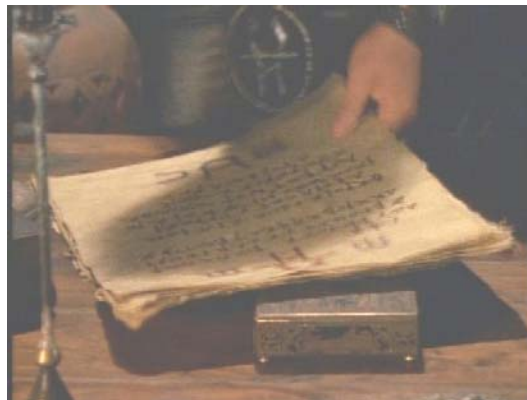

### Owned by Tina X 2

1. Ares single page parchment seen in the episode "The Reckoning" due to the parchment and symbols being very close in style I would bet 100 dinars this parchment was in the stack shown below but just never made film. It may have been seen however in another episode. If you see this parchment please contact Tina.

## Coming Home

**Here we are displaying items that *match back up* with the props or wardrobe that were separated years ago and items available for trade or sale to bring a prop or costume together again.**

I am on a mission to try and see if I can network collectors to bring wardrobe and props back together that got separated during the feverish Auctions. Everything was scattered to all four corners of the earth so this is a venture I truly enjoy, one prop at a time!

## Owned by Mart

Coming next month

**This complete Asian Amazon outfit seen behind Eve will be acquired soon so Varia will unite with another Queen from the same episode, 'Path of Vengeance'**

2. Amazon Mask made of closed cell foam, a light coat of resin and then painted, with lots of feathers and raffia on top and back...the tribe is slowly coming back together

Here's a screen cap from season 2 episode 'The Quest'

3. Metal knife that has what looks like fake blood on it. The handle is leather wrapped.

4. Metal bracelets and necklace

5. Men's medium size shirt but with "Renee" tag.

6. Prop is a Roman sign. It is not a scroll since it is printed on a fairly inflexible plastic type material.

7. This is a foam sword, very light. Has a brown handle and unique gold colored hilt. Should be immediately recognizable if someone has seen it.

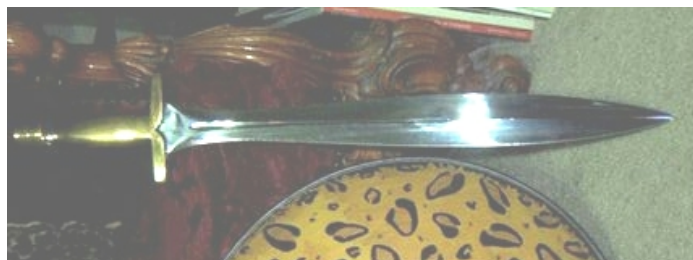

8. Silver cup

Please contact Paul if you have seen any of his props [txodo@hotmail.com](mailto:txodo@hotmail.com)

Here is a silver bracelet that came out of a box that was a brown carton labeled Gabrielle/Renée that had goodies in it! Can anyone verify the validity of these bracelets worn by Gabrielle?

#### 4. Gauntlets

Here are Gauntlets made really well of woven black leather strips. They say Kora and also say Emma inside. They were supposed to be from Young Hercules. So far, Kora in Young Hercules did not wear them and I have no idea about an Emma they are 2 different people as the actress who played Kora is not named Emma, could have been her stunt or double.

Please contact [allaboutartgalry@aol.com](mailto:allaboutartgalry@aol.com) if you have seen any of these

### Owned by Xena Museum & Athenaeum Beautiful Roman Standard

**Owned by Barbie**

## Neck, Head Piece or Belt

1. This looks very familiar to me but I do not know what episode it was seen in, can anyone help? The dangles are the same as seen on the cherish costume and armbands Lucy wore in X 1 E 17 "The Royal Couple of Thieves". Interesting how the prop makers re used designs.

[allaboutartgalry@aol.com](mailto:allaboutartgalry@aol.com)

### Owned by Mart Burrow x 11

1. Very beautiful intricate Spear.

2. Gauntlets

3. Dagger and Sheath

### 4. Leather Wardrobe

It is made of a vinyl soft leather like material and lined with soft cotton material and all decorations are hand painted. All the designs are Egyptian especially with the Egyptian eyes and what seems to me to be Isis in the front. It consists of a set of gauntlets, a dress and a set of greaves.

5. Amazon Necklace

6. Armor with wing pattern

7. Piece of cloth with a dragon

## 8. Amazon Mask

## 9. Amazon Queen Wardrobe

**Mart can find outfits similar but not the exact one, it is all labeled 'Melosa' which it was not used in 'Hooves and Harlots'**

Have you seen these in an episode?

**10. Here are 2 daggers, one is a standard dagger the other is a FX dagger that holds a blood tube in the handle so you can squeeze it a little as you cut someone and have the blood cut appear. It has a thin tube with holes in it that runs the full length of the blade but the holes are only from the tip to about half way down. The handles are made of closed cell foam with a resin coating and then painted but the blades are rubber, kinda neat little daggers measuring 9" long that look identical in appearance.**

**11. Here is a material, leather, beaded, feather headband. It has a feathered type wing look on each side with gold beads all the way around and fastens in the back with two long braided leather ties. It is labeled on the inside with a marker 'Artemis'.....but is it from Hercules or Young Hercules.. don't recall seeing Artemis in XWP with a light colored outfit, seems like she always had black or dark brown**

outfits with that pointed or horned looking headpiece. It is very well made so it probably is a lead item.

Please contact [proxyblue@aol.com](mailto:proxyblue@aol.com) if you have seen any of these items

**If a reader has spotted your prop or wardrobe in an episode please let me know so I can post it!**

## For Sale by Torey

### Hercules complete costume

**\$7,500 or best offer.**

It is COMPLETE and it has the costume tags and IAW COA and everything is HIS. It even has mints in his little leather pouch (probably for his close ups with the ladies)

Kevin Sorbo wore this full costume in the 6th season of Hercules. This same costume was also worn in the 100th episode of Xena- in God Fearing Child, where Hercules comes to visit her.

The detail on Kevin's left gauntlet is astounding. Kevin always said," When the gauntlets come on- I AM Hercules!"

The right gauntlet is the nicer of the two- with a red carnelian polished stone in it.

Please contact [ldypegasus2002@aol.com](mailto:ldypegasus2002@aol.com) for more information and pictures

## For Sale by Lorraine aka Kimba X 5

### 1. Heavy Resin Dagger

Here is a black and silver dagger with sheath, It does have a crack, but has been repaired. It is a gorgeous dagger and similar was seen in Hercules Episode 'Protean Challenge' asking price is \$250.

## 2. Livia Metal Sword

Adrienne used it in all her close ups, it is electroplated to be shiny for the camera and has the COA from IAW and was purchased from Anne Davidson asking \$1,675 OBO

### 3. Xena Stunt Boots

Here are Lucy's stunt boots and they come with the IAW COA showing that they are Lucy's with a label. Something else to be said about these boots- Lucy herself advertised these boots on her site stating them to be hers, as they were auctioned off for charity, along with quite a few other props and costumes of hers at the time. They are also her size so even though we know they aren't her hero boots, we know she obviously did some stunts on horseback, and these are equestrian boots. Lucy wore these English equestrian boots when she did limited stunt work on top of Tilly (Argo) the beautiful palomino mare she rode throughout the series. The boots are actually black painted brown to go with her brown leathers. They are a size 10 1/2 (her size) and are a rubber material not leather like her normal boots. \$150

### 4. Arch Angel Sword

Asking a firm \$199 for the sword it comes with a COA from a Hollywood Collectable Shop. This prop sword was used in the episode- Fallen Angel. It is a resin hilt with foam blade.

## 5. NORSE SWORD

This sword is resin with leather wrapped handle and comes with a COA from Propstore of London saying it is a Toxeus sword but it is not. It is from the Valkyrie episodes like the one Beowulf and his men carried. Asking \$175

## For Sale by Ellie

Ellie is making travel arrangements to Kenya, as she will be returning to work with the baby elephants at the end of December. Because of the new ivory sanctions to China, there are many new orphans who will need lots of support and healing.

### New Announcement

**Ellie is also trying to raise money or find a way to get a jeep (diesel only) donated to the Sheldrick Trust in Kenya at their Ithumba unit (out in the middle of nowhere). They have a small Suzuki for transporting milk to the elephants, but Ellie thought that a jeep would be financially beneficial to them so that they can transport guests around and take them on game drives for a donation fee. With all the extra babies now in the nursery, they could certainly use the extra money. Ideally, if someone knows an executive at Toyota, Nissan or Range Rover or something like that, we could just get them to donate directly...it would be great PR for them.**

A group email was sent out recently with a complete list of items Ellie had for sale. Many of you purchased these items and here is a list of the remainder of

the props left for sale. Please contact Ellie to receive pictures of any items you are interested in.

## THANK YOU ALL FOR YOUR DONATIONS!

I run the auctions under ebay member name [inthelightofthemoon2](#). I loved when Xena and Gabrielle would lie down at night under the stars and talk calmly after a LONG day.

The charity list is growing but the list will always stay in the publication. I am so grateful to Julie who started this chain of giving and am proud of each and every one of you who donated and participated in these auctions! Bravo to you all!

## NEW DONATION

A reader of XPH who would like to stay anonymous generously donated Xena collectibles to XPH. I will be auctioning these off on ebay a week after the release of this issue with low starting bids. Proceeds will go to the Kindred Spirits Sanctuary here in Ocala Florida.

The items below are a group of various Xena collectibles.

1 Xena doll

1 callisto doll

4 magazines

1 TV Guide

1 changeable cube

9 bookmarks

4 sets of cards, one in a plastic case

3 scripts, Maternal Instincts, Looking Death in the Eye and Them Bones, Them Bones this one still in sealed shrink wrap.

If you are interested in any individual items please let me know before I start the auction.

Second auction will be 2 Strangers in Paradise Comics each actually signed by the artist Terry Moore with a few other comic goodies.

Kindred Spirits Sanctuary was founded in late 2003 in response to an overwhelming need for farm animal sanctuaries. The Sanctuary's founders assisted the national farm animal protection organization, Farm Sanctuary, by taking in some rescues from a terrible abuse/neglect case that they handled at the end of 2003. Inspired by four rescued sows from Cattaraugus County and by Farm Sanctuary's outreach and compassion, Kindred Spirits' founders decided to create another haven for abused, neglected, and displaced victims of "food animal" production. Farm animals are exploited every day in our society, and are subject to some of the most horrendous forms of harassment, abuse and neglect. Industrialized or "factory" farming operates on the basic premise that farm animals are mere commodities, not thinking, feeling beings. Animals that exist in

these factories suffer in silence, and we find that people are horrified to learn about the types of abuse that these animals endure.

**I go out to the Sanctuary every week with bread and a variety of food bars that I make out of oats, rice, pasta, cereal, flour, corn meal, fruit and nuts. A local general grocery store donates food to me that they cannot sell due to perforations in packaging and normally would be thrown in the trash. I then take the donated items and bake food bars and bread for the animals.**

**This is a great way to turn waste into nutritious food for hungry farm animals. The farm is beautiful and peaceful and has become 'My Sanctuary'. **Barbie Arms****

## **“If The Shoe Fits”**

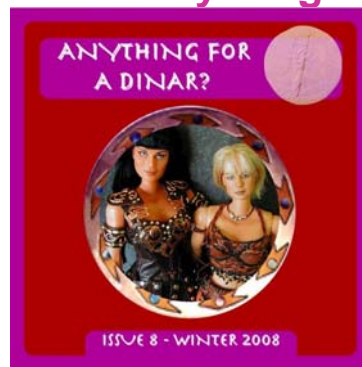

## **This is a Q and A section to help get those important questions answered.**

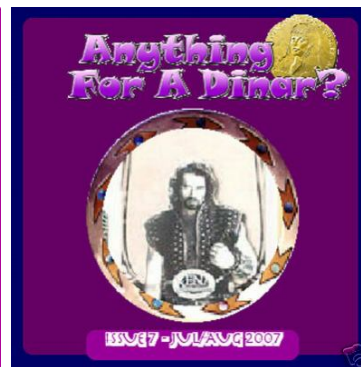

**Q1** I recently purchased a dagger that I originally thought was a lighter weight resin, but on further examination, found that it is definitely coated in metal, or perhaps made of a very lightweight metal. It "sings" loudly when tapped against another metal object, whereas my resin daggers do not make this same melodic sound. It also feels like metal when you touch it, although it is painted gold over the metal parts and not "shiny" like you would expect metal to be. It is common knowledge and I believe verified by the Black Wolf (Roger) that the prop dept. used four different materials for their weapons: Foam, resin, rubber and metal. However, most metal weapons I have handled are definitely quite heavy. My dagger is clearly metal but not very heavy; in fact, not even as heavy as some of my resin daggers. Can anyone shed any light on what this may be made of or the process of electroplating? I thought in order to electroplate an item, the surface of the object to be electroplated also had to be metal for the charge to be conducted and the process to succeed. The dagger's origins are 100 percent genuine and it is from the set (it is a Livia style dagger) but this is the first time I have owned a dagger made of this material. Any thoughts? **MORGAN**

**If you have a question please send to Barbie at [allaboutartgalry@aol.com](mailto:allaboutartgalry@aol.com)  
Anyone who has the answer or can elaborate on an answer already submitted is most welcome to reply. I will keep the questions posted until an answer is obtained. All questions answered will be posted, then removed, before the next issue to keep the section tidy.**

## **The Quill is Mightier**

I briefly entertained the thought of having a prop-themed Christmas party this year. But, several nights ago, after waking up in a cold sweat from a horrific nightmare in which my Brutus mannequin came to life, dressed all my elderly neighbors in Amazon outfits and spilled eggnog all over his tunic (leaving a permanent stain from which there was no recovery), I decided there was no way I was going to entrust my precious props to a herd of tipsy partygoers with no viable methods for cleaning wassail off of resin. No, I would have a traditional party. Besides, it would probably damage my standing with the neighbors if I had to plunge my best dagger into a 90-year old thigh for using the copper plate from Cyrene's tavern as a serving tray for bran muffins. I don't care if it IS the most wonderful time of the year. There are limits.

Since Brutus was being a royal pain in the backside, I decided to make it worth the \$69 shipping charge I paid UPS to deliver him and I put him to work. It was the Christmas season, and it is at this hallowed time of the year when we all feel a little bit of that holiday magic. After all, if Frosty could come to life, maybe it wasn't all that strange that I had a six foot one, prefabricated, anatomically incorrect mannequin with a hole in his foot hanging mistletoe in my den. In fact, I am reasonably sure that it was truly a Christmas miracle, and had nothing at all to do with the fact that I already had thirty-two

glasses of eggnog and was on a sugar rush from all the raw gingerbread dough I had consumed.

Brutus was quite skilled at getting the star on top of the tree, despite getting his foot rod stuck in the fireplace, but he melted off part of his pinky finger trying to preheat the oven, so I sent him back into the living room to resume his decorating duties. It was to be my undoing. Later, much later, after I was released from the long-term mental care facility, my therapist said, that in her professional opinion; she did not think that a person could be charged with negligent homicide of a fiberglass mannequin. I guess that's a question for the local police. Or... perhaps the men's department at Macy's.

You see, I live in a quiet, older area of town that is inhabited primarily by the elderly. Generations of truly lovely folks who all know each other, many of them having resided here since the neighborhood was built. I am one of the youngest residents, having won the bid on the house because the 93- year old former occupant thought my motorcycle was "cool." In fact, my neighbors take some sort of pride in making sure that "the girls" (as friendly neighbor Al refers to me and my roommates) are doing okay. So when the doorbell rang, and I heard Al's familiar baritone calling out "Happy Holidays," I yelled for him to come on in. His wife probably baked us some cookies. Little did I realize that he had already *been* in, spent some time with Brutus, and had drained the punch bowl of its fruity red contents. I should not have been surprised to find him wearing the foam helmet used in "A Good Day."

"Al," I said, patiently, as I removed his headgear and convinced him that the Amazon copper bra with the chest studs would not make his wife find him desirable again,

"Perhaps you could help Brutus hang the stockings.... with care."

"In the hope that St. Nicholas will soon be there?" Al replied, a little too happily. Brutus snorted, which I considered quite a feat for a hollow shell of a non-man with no discernable facial movements.

"Well," I said, any coherent thought suddenly cut painfully short. I looked around in horror as more of my neighbors filed in. Mrs. Casen was dressed up like an Amazon queen, Gwyn-Tier to be exact, wielding my four foot resin tooth club and waving the necklace over her head like a cowgirl. Mr. Bell from across the street, although nearly 80, did look a bit like a sprightly, much younger man in Belach's purple flowing robe, but I was more concerned about what he was chugging from my "Miss Amphipolis" glass vase. I must have looked a bit pale, because Mr. Windslow came shuffling up to me, all smiles.

"No worries," he said, patting Brutus on the back, causing his hand to fall between the couch cushions, "We've already taken care of the decorating for you. In fact, we decided to remove all of the swords from the mantle. They just don't look as festive as the cute little hallmark animated reindeer we found in the ornament box."

"Re....move?" I choked out, just in time to see Mrs. Wilcox forcefully pulling on my Fallen Angel sword, one of many weapons which were apparently glued to the bookshelf above the fireplace(to prevent them from being damaged, I was told later.) It clattered to the floor, breaking into several pieces and shattering my hopes for a plea bargain. My brain screamed justifiable homicide, as Brutus tried to explain that he was not actually laughing, but he always looked like it because his jovial expression was painted on... at the factory. I wasn't buying it.

The next thing I remember hearing was a loud, strangled scream, which scared me even more when I realized it was coming from my own throat. The room was dark; the bright alarm clock flashed 3 a.m. I jumped out of bed, ran down the hall, threw open the doors to my office, my heart pounding in my chest. There was Brutus, limbs intact, in the corner, holding up the edge of the display cabinet. It had all been a nightmare! Things were fine! The props were safe! Whew! I didn't need therapy, after all! I trudged back to bed, content in the knowledge that I was still sane.

The next day, heard a knock on the door. It was neighbor Al. I tried not to think about him in the Amazon copper top, but what can I say.....I process visually. Al shook my hand heartily. "Merry Christmas!"

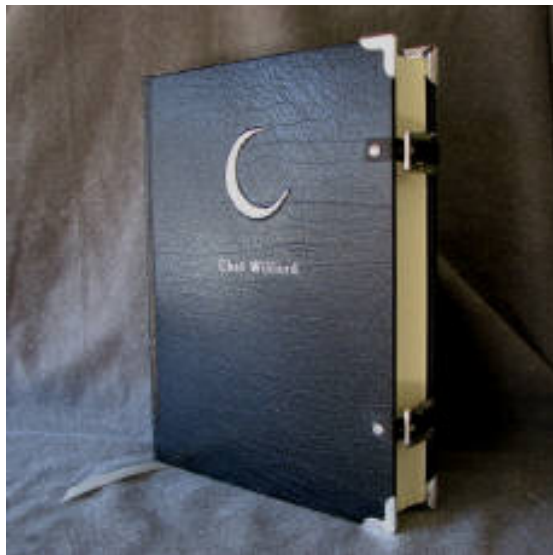

"Happy Holidays, Al," I said cheerfully.

Then he placed something in my hand. "I just wanted to return this," he said, waving as he walked back to his house. I looked down. It was my helmet, from a Good Day. I whirled around, and looked hard at Brutus. I swear I saw him wink, but we all know that is impossible, because his jovial expression was painted on....at the factory.

Happy Holidays to all my friends and fellow collectors. May you have a wonderful winter solstice, however you may celebrate.
