A Wicked Good Time

Need to sell multiple Xena/Hercules Props and Wardrobe?

Lets have some fun selling on our terms without ebay fees and build our collections through other serious Xena and Hercules enthusiasts. We all need to sell items occasionally for various reasons so instead of dealing with the ebay rules and fees lets try selling among ourselves rendering a most satisfying and fun transaction for all. We have all had a run in with unsavory sellers and buyers that lurk around on ebay so this will keep prop and wardrobe sales among our tight circle and we know they will be going to a good home!

You can run your own auction and Xena Prop House will announce the starting time and end of your auction with a comprehensive presentation of what you are selling then you set up the auction. The auction will be backed by XPH through assisting and referring readers and collectors to your designated auction time circulating your email and information throughout the duration of your auction. If you are a new reader and participant that I have never communicated with before and would like to announce your own auction no problem just give me one reference from a seasoned collector I can communicate with to verify your commitment to your auction before I can announce it.

This is a great way to make quicker bulk sales but XPH will still keep **“A Day in the Life”** section for the casual individual sale items and for photo sales. I can announce multiple auctions so there is no need for a first come first serve basis.

GROUP MAILINGS

I can also do a group mailing with a general list of descriptions and prices of items you have for sale. Then you can sell them on a first come first serve basis to the collectors who respond to you. I have also done group mailings to let collectors know about items listed on ebay.

Contact Barbie at XPH and communicate that you would like to run an email auction or group mailing. Xena Prop House issues come out by the 15th of every month so you would need to make contact by the 7th of each month leaving time for the auction or group mailing to be worked up by me and announced in the issue. It would be suggested you start the auction or group mailing at least 4-7 days after the issue comes

out on the 15th so readers have a chance to read about your items for sale introduce themselves as a potential bidder or buyer and your preparation to start receiving offers or bids. I will help you through the entire process however if you choose an auction **you** will be running the auction keeping records of the bidding activity, etc.

Any questions comments or suggestions on these auctions backed by Xena Prop House please email allaboutartgalry@aol.com Please read the Xena Prop House disclosure on the last page of this publication in red before announcing or participating in these auctions. **-Barbie Arms-**

Pair of Framed Posters

Two posters that were professionally framed. Xena with the lyre is from "Lyre, Lyre, Hearts on Fire" this poster was also made in a horizontal layout. The image of Xena is a separate piece of paper glued on. That same image of Xena was used in other episodes on other "Wanted" posters and such. The Gabrielle poster is from "The Play's the Thing." This poster is on a very soft paper with frayed edges.

Posters shown together

Tricia has an amazing collection and I will be featuring items from her collection in the upcoming months of XPH.

If you have any comments or questions please direct them to Barbie at allaboutartgalry@aol.com or Xenaprohouse@aol.com

Coming Home

This section is to display items that *match back up* with the props or wardrobe that were separated years ago and items available for trade or sale to bring a prop or costume together again.

I am on a mission to try and see if I can network collectors to bring wardrobe and props back together that got separated during the feverish Auctions. Everything was scattered to all four corners of the earth so this is a venture I truly enjoy, one prop at a time!

3. Bracelet

Here is a silver bracelet that came out of a box that was a brown carton labeled Gabrielle/Renée that had goodies in it! Can anyone verify the validity of these bracelets worn by Gabrielle?

4. Gauntlets

Here are Gauntlets made really well of woven black leather strips. They say Kora and also say Emma inside. They were supposed to be from Young Hercules. So far, Kora in Young Hercules did not wear them and I have no idea about an Emma they are 2 different people as the actress who played Kora is not named Emma, could have been her stunt or double.

Please contact allaboutartgalry@aol.com if you have seen any of these

1. Neck, Head Piece or Belt

1. This looks very familiar to me but I do not know what episode it was seen in, can anyone help? The dangles are the same as seen on the cherish costume and armbands Lucy wore in X 1 E 17 "The Royal Couple of Thieves". Interesting how the prop makers re used designs.

2. Scroll FOUND

Here is my scroll Joxer is wrapping around the scroll parchment with the Ares and Xena marriage contract in "Soul Possession" trying to hide a scroll within a scroll.

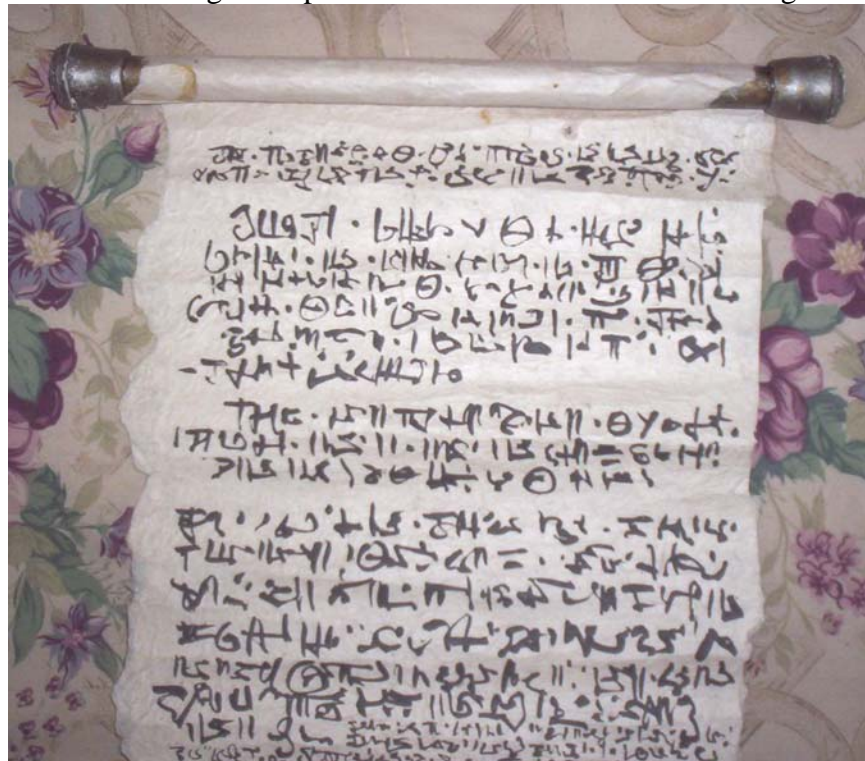

I know scrolls are hard to screen match so I have comparisons on the top of the scroll and bottom, looking at the characteristics, it is the same.

I featured this screen capture last issue to show the awesome blue vase and Morgan noticed the scroll, good catch, Thank you!

Top of Scroll

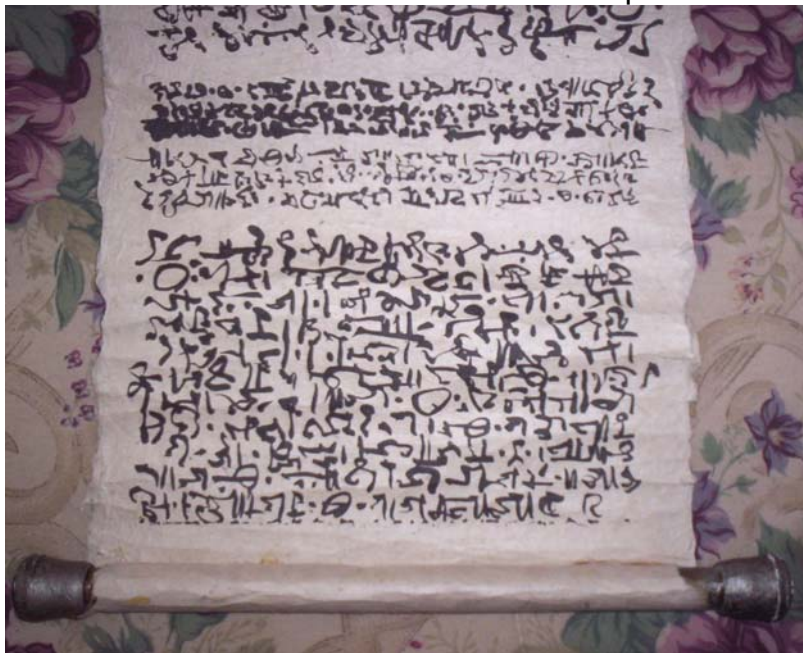

Notice the first 2 lines then a space then a longer paragraph that has an indent slowly moving out to the margin, then a space and a 3 line paragraph. The silver knobs are also a match as the ends changed shapes and sizes on various scrolls throughout the series.

Bottom of scroll

Here is the bottom of the scroll notice the long continuous paragraph with similar large symbols as mine. Again the start of this last paragraph indents and slowly moves closer to the margin. I also did a close up of this capture and the first 2 symbols that look a bit like an italic **S C** at the start of the last long paragraph did show the same on the screen cap.

Please feel free to offer any thoughts or comments.
Does anyone know who has the Xena and Ares marriage contract?

1. Very beautiful intricate Spear.

2. Gauntlets

3. Dagger and Sheath

4. Leather Wardrobe

Leather Wardrobe is made of vinyl soft leather like material and lined with soft cotton material and all decorations are hand painted. All the designs are Egyptian especially with the Egyptian eyes and what seems to me to be Isis in the front. It consists of a set of gauntlets, a dress and a set of greaves.

6. Piece of cloth with a dragon

7 & 8 Amazon Mask and elaborate necklace, the large medallion is 3" across, the middle one is 2 1/2" and the smallest one is 2".

9. Here are 2 daggers, one is a standard dagger the other is a FX dagger that holds a blood tube in the handle so you can squeeze it a little as you cut someone and have the blood cut appear. It has a thin tube with holes in it that runs the full length of the blade but the holes are only from the tip to about half way down. The handles are made of closed cell foam with a resin coating and then painted but the blades are rubber, neat little daggers measuring 9" long that look identical in appearance.

10. Here is a material, leather, beaded, feather headband. It has a feathered type wing look on each side with gold beads all the way around and fastens in the back with two long braided leather ties. It is labeled on the inside with a marker 'Artemis'

FOUND

Seen in Hercules Episode "The Apple" and it was worn by Artemis
Thank you Paul for finding that, Scott also reported spotting this, thank you so much!

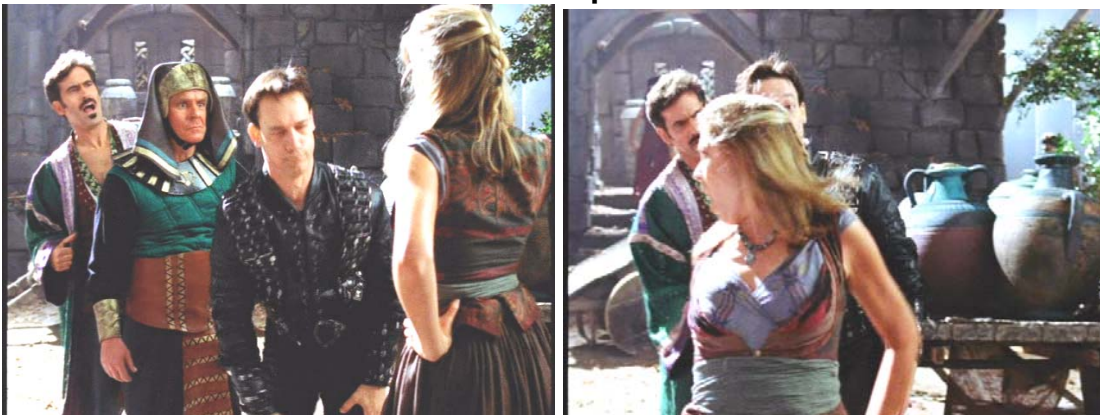

'Artemis' wardrobe includes a bra top piece with gold beading trim and very long flowing panels, a flowing skirt with long panels, a pair of gold tone and rhinestone earrings, a Greek coin necklace, and 2 copper armbands with what appears to be a Sanskrit type writing. The top and bottom piece are just labeled 'Goddess' so I'm not positive they go together with the headband...but they came together

11. Peasant Top FOUND The bodice is from Xena Season 3 Episode "The King of Assassins" Thanks for finding this Cheri

The Quest

Just submit a description, picture and your contact information and we will post it for you.

Please contact allaboutartgalry@aol.com

Here is a List of Props, Wardrobe and Production Material our readers would like to find for sale so they can purchase them to add to their collections. We know that very few wardrobe or props are one-offs so even if there is an item you want in a collection that is not for sale there may be others out there so please continue to post your wants.

SEARCH CONTINUES.....

Cheri needs to find Autolycus as Philipon's hat from Xena Episode "Tale of Two Muses", She has acquired the robe and needs the hat to go with it. The hat went through the Yahoo it's a Wrap Auctions so we know it survived the set as most hats or headpieces did not.

This scroll was found and used by Autolycus/Bruce in Hercules Season 4 Episode "My Fair Cupcake". If anyone has this and is willing to sell it I would love to know if they would. So I guess this would be a HOLY GRAIL item for me.

For Sale by Torey Hercules complete costume . **\$7,500 or best offer.**

It is COMPLETE and it has the costume tags and IAW COA and everything is HIS. It even has mints in his little leather pouch (probably for his close ups with the ladies)

Kevin Sorbo wore this full costume in the 6th season of Hercules. This same costume was also worn in the 100th episode of Xena- in God Fearing Child, where Hercules comes to visit her.

The detail on Kevin's left gauntlet is astounding. Kevin always said," When the gauntlets come on- I AM Hercules!"

The right gauntlet is the nicer of the two- with a red carnelian polished stone in it.

Here are Lucy's stunt boots and they come with the IAW COA showing that they are Lucy's with a label. Something else to be said about these boots- Lucy herself advertised these boots on her site stating them to be hers, as they were auctioned off for charity, along with quite a few other props and costumes of hers at the time. They are also her size so even though we know they aren't her hero boots, we know she obviously did some stunts on horseback, and these are equestrian boots. Lucy wore these English equestrian boots when she did limited stunt work on top of Tilly (Argo) the beautiful palomino mare she rode throughout the series. The boots are actually black painted brown to go with her brown leathers. They are a size 10 1/2 (her size) and are a rubber material not leather like her normal boots. \$150

For Sale by Ellie

Ellie is making travel arrangements to Kenya, as she will be returning to work with the baby elephants at the end of December. Because of the new ivory sanctions to China, there are many new orphans who will need lots of support and healing.

Ellie is also trying to raise money or find a way to get a jeep (diesel only) donated to the Sheldrick Trust in Kenya at their Ithumba unit (out in the middle of nowhere). They have a small Suzuki for transporting milk to the elephants, but Ellie thought that a jeep would be financially beneficial to them so that they can transport guests around and take them on game drives for a donation fee. With all the extra babies now in the nursery, they could certainly use the extra money. Ideally, if someone knows an executive at Toyota, Nissan or Range Rover or something like that, we could just get them to donate directly...it would be great PR for them.

Amazon Sword

Here is the style sword the Amazons carried in Xena Episode "To Helicon and Back". I noticed that the handle came in 3 colors and I believe it was according to the status of the Amazon. Below you can see mine with the brown wood handle.

Here you can see Gabby with one of the amazons who has a black handle sword this amazon was not a main character in the episode.

. Gabby as leader has the honey color handle she was the only one with this color that I could see in the Episode.

Here you can see Cyane with the brown handle. She was second in command to Gabby and I saw a few others with the brown handle, they may have also been 2nd or 3rd command.

I also saw Ephiny with this sword in Hercules episode "Sky High" you can see she also has the honey colored handle like Gabby's.

Any additional info about this sword is appreciated please email Barbie at allaboutartgalry@aol.com

Annie

Here is a very sad Story with an amazing ending get out your tissues!

Morgan is an avid volunteer for RAGOM (Retrieve a Golden of Minnesota)

Morgan Writes.....

Some MORON shot this beautiful little golden girl twice...once in the stomach and once in the neck, then left her bleeding and dying in a snow bank. BREAKS MY HEART! Some good people found her and rushed her to the U of M Vet Hospital. They saved her life. Here is a link to her story and updates. I saw her on Saturday and gave her lots of hugs and kisses. She was SUCH A SWEETIE!!! I volunteer with this rescue group and am currently writing the thank-yous to all the generous people who donated to her care. She is healed now and there are hundreds of folks on the waiting list to adopt her. Of course they are being VERY picky who gets her!

Here is a link with more links to her pages: <http://www.ragom.org/annie/annie.html>

Here is Annie's own personal page, latest updates at the bottom:

http://ragom.org/avail.cgi/Available/dog?dog_id=3887

It just brings tears to my eyes every time I think about it. How anyone could ever do such a thing is beyond my comprehension. But this story has a happy ending!!! You can also buy a t-shirt for just \$13 plus shipping on their site and the money goes to them; I bought three and donated extra at that time. RAGOM (Retrieve a Golden of Minnesota) is the largest Golden rescue I believe in the U.S.

UPDATE

Annie was adopted and there were over 300 applicants wanting to adopt her!! She got a great home!

Bravo to you Morgan for helping Annie and *all* that you do for animals!

THE GREATER GOOD

THANK YOU ALL FOR YOUR DONATIONS!

I run the auctions under ebay member name [inthelightofthemoon2](#). I loved when Xena and Gabrielle would lie down at night under the stars and talk calmly after a LONG day.

The charity list is growing but the list will always stay in the publication. I am so grateful to Julie who started this chain of giving and am proud of each and every one of you who donated and participated in these auctions! Bravo to you all!

Recent Donation

Cheri donated a huge lot of Xena items and proceeds went to the Kindred Spirits Sanctuary, thank you Cheri

Kindred Spirits Sanctuary was founded in late 2003 in response to an overwhelming need for farm animal sanctuaries. The Sanctuary's founders assisted the national farm animal protection organization, Farm Sanctuary, by taking in some rescues from a terrible abuse/neglect case that they handled at the end of 2003. Inspired by four rescued sows from Cattaraugus County and by Farm Sanctuary's outreach and compassion, Kindred Spirits' founders decided to create another haven for abused, neglected, and displaced victims of "food animal" production. Farm animals are exploited every day in our society, and are subject to some of the most horrendous forms of harassment, abuse and neglect. Industrialized or "factory" farming operates on the basic premise that farm animals are mere commodities, not thinking, feeling beings. Animals that exist in these factories suffer in silence, and we find that people are horrified to learn about the types of abuse that these animals endure.

I go out to the Sanctuary every week with bread and a variety of food bars that I make out of oats, rice, pasta, cereal, flour, corn meal, fruit and nuts. A local general grocery store donates food to me that they cannot sell due to perforations in packaging and normally would be thrown in the trash. I then take the donated items and bake food bars and bread for the animals. This is a great way to turn waste into nutritious food for hungry farm animals. The farm is beautiful and peaceful and has become 'My Sanctuary'. Barbie Arms

"If The Shoe Fits"

This is a Q and A section to help get those important questions answered.

Q1 I recently purchased a dagger that I originally thought was a lighter weight resin, but on further examination, found that it is definitely coated in metal, or perhaps made of a very lightweight metal. It "sings" loudly when tapped against another metal object, whereas my resin

daggers do not make this same melodic sound. It also feels like metal when you touch it, although it is painted gold over the metal parts and not "shiny" like you would expect metal to be. It is common knowledge and I believe verified by the Black Wolf (Roger) that the prop dept. used four different materials for their weapons: Foam, resin, rubber and metal. However, most metal weapons I have handled are definitely quite heavy. My dagger is clearly metal but not very heavy; in fact, not even as heavy as some of my resin daggers. Can anyone shed any light on what this may be made of or the process of electroplating? I thought in order to electroplate an item, the surface of the object to be electroplated also had to be metal for the charge to be conducted and the process to succeed. The dagger's origins are 100 percent genuine and it is from the set (it is a Livia style dagger) but this is the first time I have owned a dagger made of this material. Any thoughts? **MORGAN**

**If you have a question please send to Barbie at allaboutartgalry@aol.com
Anyone who has the answer or can elaborate on an answer already submitted is most welcome to reply. I will keep the questions posted until an answer is obtained. All questions answered will be posted, then removed, before the next issue to keep the section tidy.**

The Quill is Mightier

Ahh, February! A month when love (and precipitation, if you live in the north) is in the air. But what is a prop collector to do, when funds are tight (because you couldn't live without that electroplated jewel-handled dagger) and yet Valentine's Day is right around the corner? I mean, a box of chocolates could save your life during those months when your spouse is PMSing, but unless you want to spend several candlemarks in the doghouse, you definitely need to come up with something big on February 14. If you are one of those people who rush into the local grocery store to try to snatch up a 3-dollar bouquet of soggy daffodils and a bag of heart shaped M and Ms on your way home from work, you're in major trouble. So here are some really great ideas:

1. Chocolate covered daggers. Yes, resin never looked so good as when it is encased in rich, thick, calorie-laden dark chocolate with just a hint of orange. These delectable weapons of mayhem are loveliest when wrapped in red cellophane and surrounded by a dozen roses. Just be sure to put them back in the display case when the chocolate has been eaten. And watch your dental work.
2. Strawberry Short Swords: A box of frozen berries and a container of cool whip goes a long way when it encircles a gathering of elongated pointy things. If

using closed cell foam swords for the centerpiece of this romantic dinner table setting, be sure to cover them in plastic first. Those little cells tend to retain what they come in contact with, and it's not considered kosher during a battle (real or imagined) to be licking the paint off your weapon.

3. Perky Punch: Pull those bowls, vases and other roundish vessels out of storage and your loved one will think he/she has gone back to a simpler, fresher time as you serve wine, champagne, or red Gatorade (for you sports fans in love) out of them. Don't be afraid to clank your tavern tankards together as you make a toast to your sweetie (unless of course you are using Gabrielle's dribble glass from Many Happy Returns) ...wait!.... Why are you using THAT?? That should be in a hermetically sealed, temperature controlled, lighted display case!!!!
4. Very Berry Jewel Drops: It's true, even your accessories can get involved! Blueberries, raspberries, blackberries and other small, round, antioxidant-laden fruit pellets can be easily attached to that Amazon necklace, earring, or bracelet bauble. Toss them in the freezer for less mess, but don't touch your mouth to the frozen metal clasp unless you don't think you'll need the skin on your upper lip for about three weeks.
5. Ambrosia Amazement: Remember that sticky glob of fake ambrosia you paid \$1500 (and 4 pints of plasma) for at the IAW sale? Commandeer a roll of Pillsbury cookie dough, shape it into your own rubbery likeness of it, toss in a box of artificially flavored, red #6 Jello and can of mandarin oranges and you can profess to him/her that they are worthy of the food of the gods. Take care not to put the REAL fake ambrosia on the table, or you may be running to the pharmacy for some ipecac to protect your investment.
6. Set Dressing Sundaes: Just about any piece of set dressing in your arsenal would make a nice pedestal for ice cream, Hershey's syrup, and the rest of the cool whip from the strawberry short swords. If your lover hasn't run you through with an amazon bird blade by the time dessert rolls around, put on some soft music, dim the lights, and hope they don't notice that you are dividing your attention between them and the copper plate from Cyrene's tavern in season 4. Be sure to get all the corn syrup off the brass divets before placing it back in your collection.
7. Excalibur Extravaganza: You may not have been the first person to remove the sword from the stone, but you can get a lot of romantic mileage out of a tasty reenactment. Your honey will appreciate your creativity when they mosey out to the kitchen and find your metal Ares sword sticking out of a seven layer cake, chocolate dripping off the side and whipped cream on the chandelier. He/She will know that you are definitely "the one" when you pull the weapon from the sugary delight and put a perfectly formed piece of cake on his/her plate. A word of warning, though. Tree nuts, hard candy decorations, and

acidic ingredients could cause pitting, so get that blade wiped down as soon as possible after your big sugary show.

8. If nothing in the list above appeals to you, try one of these timeless classics: Borias Bon-Bons, Mangos a la Melosa, or Tapert Tapioca. And don't forget the main course, either. Palemon Pasta rolls go well with a chilled bottle of Cyrene Cabernet, with an appetizer of Ephiny Eggrolls for good measure.

Don't think you can get away with leaving to go watch MacGyver as soon as the dishtowels are put away, either. Atmosphere is everything. Those set dressing pillows, strewn haphazardly around the floor in front of the fireplace, combined with the cape from your roman soldier costume, could very well make you irresistible to the one you love. Either that, or you may need a divorce lawyer, but great risk yields great reward, yes? So enjoy your Valentine's Day...just remember to stay away from the Caesar Salad. That's for next month's dinner, say around the 15th or so?

HAPPY VALENTINE'S DAY EVERYONE!
